

DEKOR® SAVVY SOLAR® Post Cap Light

The traditional DEKOR® post cap is now available as a solar product. Simply turn the cap on and place on your post – the SAVVY SOLAR® panel, battery, and control circuitry will do the rest! This cap is available in the same 6 color options, 6 sizes, and 5 lighting configurations as the traditional flat cap, but requires no wiring. The solar cap will charge the battery internally when exposed to the sun.
